1. Lessor shall retain the right to designate storage space. Every effort shall be made to assign Tenant the storage space of his/her choice: however, the rights of other Tenants and Lessor(s) business judgment shall also be relevant factors in the assignment of storage space.
2. To be accepted for storage, a boat must be winterized and be equipped with a battery turn-off switch, and extinguisher in each enclosed cabin and in each engine compartment. Tenant is solely responsible for the aforementioned, as well as any damages resulting from a failure to winterize or improper winterization. Lessor assumes no responsibility for winterizing boats or Tenants failure to do so.
3. **INSURANCE:** Tenant agrees to have the watercraft covered by a full marine insurance package (hull coverage as well as indemnity and liability coverage.) A current certificate evidencing Tenant(s) insurance coverage must be on file with Lessor at all times.
4. All boats are accepted for storage with the understanding that no person, other than a marina employee, will be allowed on boats without Lessors consent while the boat is in storage. No boat will be released from storage to others without written consent of Tenant. Lessor makes no warranties or representations concerning security at the premises except during normal season business hours. Tenant shall be responsible for properly securing the boats equipment including, but not limited to antennas, transducers, trim tabs, bimini tops, outriggers, or other protruding equipment and shall be responsible for inspection and maintenance of the watercraft while in storage. Lessor assumes no responsibility for such inspection, maintenance, or protruding equipment and articles left aboard the boat. Tenants shall be solely responsible for any damage resulting from any failure to inspect or maintain the watercraft.
5. Tenant agrees not to sell, transfer, assign, or permit the use of his/her assigned storage space without the express written consent of Lessor. The Tenant agrees to notify Lessor in writing of any change of ownership of the boat.
6. Only those persons specified on the front of this Agreement shall be permitted to enter the boat while in storage.
7. Tenant agrees NOT to hold Lessor liable for any loss caused by any delay in launching, storage, transporting, or commissioning cause by weather or any other event beyond the control of Lessor. Smitty's Marina Inc. is open for business seven [7] day per week, but reserves the right to set business hours with regard to seasonal changes in daylight hours and existing weather conditions. Lessor shall not be liable for any acts beyond its control including failure of Lessor(s) marina equipment that make it difficult or impossible for the Tenant to use the boat. **TENANT SHALL BE SOLELY LIABLE FOR HIS BOAT, TRAILERS, AND CARS LEFT AT THE YARD OR PARKING AREA.**

11. Tenant may inspect, clean, maintain, and perform minor repairs on his/her boat at the facilities, as long as such work does not interfere with the rights of other tenants or the operation of the facilities. If Tenant wishes to have someone other than himself or an employee of Lessor such work, or any other work, on his/her boat at the facilities, prior written approval must be obtained from Lessor. Such approval will be granted only if the outside serviceman can deliver to Lessor evidence of a standard certificate of workmans compensation and liability insurance coverage. The Tenant and outside servicepersons are responsible for any damage or injury caused. A fee will be charged by Lessor for this service.
12. If tenant violates any of the terms and conditions contained in the Agreement or the rules posted from time to time in the facilities office. Lessor shall have the option of terminating this Agreement immediately.
